

Export University 101

MAUI participation via Livestreaming...

Export University 101 – A comprehensive training seminar that will help you learn the nuts and bolts of exporting while developing a global strategy for your business. Get first-hand knowledge from the experts, while taking charge of your unique and personalized International Business Plan to grow your international business successfully. From industry experts to our very knowledgeable community partners, Export University will help small businesses that are new to exporting as well as those with a blossoming international business to identify the best markets for your products or services and the steps needed to connect with new customers worldwide.

This **Export University** session is part of Hawaii's State Trade Expansion Program, also known as **HiSTEP**, designed to assist small businesses in Hawaii with growing their export business in markets around the world.

The HiSTEP program has three key components that you will learn about in the seminar:

1. **Export Readiness Program** – training and mentoring
2. **Company Assistance** – funding awards up to \$7,500
3. **Hawaii Pavilions** – support at major trade shows

The Export Readiness Training Program will help you to begin or expand your export market development through training and mentoring. **The world is open for your business, so come learn how you can start or further develop your export strategy!**
